American MORE! is a four-level course from a highly respected author team that's bursting with features for lower secondary students. Each level of American MORE! contains 80-90 hours of class material. With dedicated reading, culture, grammar, vocabulary, skills and cross-curricular learning sections, plus a wide range of flexible components, you really do get more with American MORE! The Teacher's Book contains warm-up activities, detailed guidance on how to get the best out of the course, answer keys and 'Extra' idea sections for fast finishers.

Bestselling Authors Tackle Difficult Issues for Believers and Doubters When it comes to the big questions about God--Is he real? Why are Christians so unlike Jesus? Does he really care about me?--Bruce Bickel and Stan Jantz don't pretend to have all the answers. But they do know how to wrestle with doubt. They welcome questions, and in these pages they ask some of the most important ones you have about God and the Bible. With candor, insight, and a disarming touch of humor, they provide some answers to these critical questions, yet they leave enough space--and grace--for you to keep wrestling, asking, and seeking Truth. There is no shame in asking--after all, even some of the greatest men and women in the Bible had doubts. Don't let your questions go unanswered. What you find might just change your life.

It is amazing how we sometimes sit and enjoy the pleasures of life in this world, unaware of the coming sorrow. In my brokenness and sorrow, my Christianity and spirituality helped me. My faith was strengthened and the Divine Master carried me from the dark place and brought me to the place of light where I see the beauty of the love of God. My journey was unpleasant but was enjoyable as I walk with the Lord. My storyline was changed along the way and rewritten. This account will encourage readers to be strong in their faith and hold on to prayer to reach their destiny.

Is the Bible historically accurate? Are there any contradictions in the Bible? If we look too closely at the Bible might we find things that will destroy our faith? Should I be afraid that some new archeological discovery will prove the Bible wrong? How much freedom do I have to interpret the Bible? Combining history, Scripture, and an understanding of human nature, Dr. Thompson takes on the difficult questions regarding the Bible and inspiration. He goes beyond the question of whether you can trust the Bible to ask whether you can trust yourself as you study. This unique study of inspiration uses internal evidence from the Bible text, its history, collection, and transmission to look at the way in which God works through prophets and Bible writers. As an experiential lens, he uses the experience of the Seventh-day Adventist community, of which he is a part, and its reception and use of Ellen White as God's messenger. This provides an example of someone who produced an incredible volume of written material in her lifetime, yet maintained a great humility and understood her own spiritual experience as one of growth. However, Inspiration: Hard Questions: Honest Answers is not just for Seventh-day Adventists. The lessons, drawn from the experience of one community, have wide applicability as we look at a range of views on biblical interpretation, experience, tradition, and contemporary claims of a prophetic word. All communities of faith would do well to ask the hard questions addressed in this book and to learn from the history and experience of others. Ultimately, the author is addressing a question that comes to all of us: What is God's will and how can I know it? Can I be certain? To find the answers we need, Dr. Thompson reminds us: "We cannot just know Scripture, we have to know God. In this Second Revised Edition, you will find a new "bridge" chapter, designed to invite readers outside of the Adventist tradition to join in the conversation, as well as a number of minor updates, and a set of beautiful photographs and drawings inspired by scripture, prepared for this edition by Wanda Thompson. It is not enough to determine how the inspiration of scripture works as a theological tenet or a doctrinal point. Ultimately, for God's Word in scripture to accomplish its mission, we must each be inspired by it as well.

Studying Prophecy Can Change Your Life Strengthen your faith and find real hope for the future in this extensive resource that provides concise answers to your most burning questions about Bible prophecy and the end times. Topics include everything from how to interpret prophecy to clarifying the perplexing specifics of the rapture, the antichrist, and the afterlife. Respected Bible scholar Ron Rhodes addresses questions many are asking, such as... Is it important that we be aware of the signs of the times? Do Christians agree about the role of America in Bible prophecy? Is there biblical evidence that the church will escape the tribulation period? Will only believers enter into Christ's millennial kingdom? In what way will the heavens and earth be made "new"? Whether you're looking for quick instruction or you're eager to go deeper, this accessible Q&A-style guide will help you navigate prophetic Scripture passages and better understand matters of eternal significance.

The Old Testament constitutes the majority of the Christian Bible and provides much of the language of Christian faith. However, many churches tend to neglect this crucial part of Scripture. This timely book details a number of ways the Old Testament is showing signs of decay, demise, and imminent death in the church. Brent Strawn reminds us of the Old Testament's important role in Christian faith and practice, criticizes current misunderstandings that contribute to its neglect, and offers ways to revitalize its use in the church.
