Discover the intricacies of American Sign Language with this comprehensive, essential guide to learning the basics of sign language. The appeal of American Sign Language (ASL) has extended beyond the Deaf community into the mainstream—it's even popular as a class in high school and college. You are guided through the basics of ASL with clear instruction and more than 300 illustrations. With a minimum of time and effort, you will learn to sign: the ASL alphabet; questions and common expressions; numbers, money, and time. With info on signing etiquette, communicating with people in the Deaf community, and using ASL to aid child development, this book makes signing fun for the entire family.

Beginning signers can now improve their recognition of the most commonly used signs with this easy-to-follow handbook. Illustrates 800 common signs organized by topics including food, travel, family, sports and more. 800 illustrations.

Learning a new language is easier than you think! This informative book teaches you the basics of American Sign Language. It's the third most used language in the United States—and yet it's "spoken" without even opening your mouth! It's estimated that as many as two million Americans speak American Sign Language, a method of communication that's both fun and useful, even if you or your friends and family are not hearing impaired. American Sign Language uses simple-to-follow photographs to teach you the alphabet, numbers, and simple words and phrases. Divided into categories such as Animals and People and Pronouns, the book and accompanying flashcards show you how to use your hands to communicate. Once you've learned the alphabet, you'll build on that knowledge to learn the words for "friend" and "family." And when you how the words for "chicken" and "cat" evoke a chicken opening and closing its beak and a cat stroking its whiskers, you'll truly understand how intuitive and enjoyable learning American Sign Language can be. Learning a new language is always a rewarding endeavor—and with American Sign Language, it's easier than ever!

Offers an array of more than 800 signs for key medical terms, including illnesses, treatments, drugs, and anatomy, with instructions for making each sign.

American Sign Language (ASL) is a vibrant, easy-to-learn language that is used by approximately half a million people each day. Current with the latest additions to ASL and filled with thousands of brand new photographs by Deaf actors, Learn American Sign Language is the most comprehensive guide of its kind. - Learn more than 800 signs, including signs for school, the workplace, around the house, out and about, food and drink, nature, emotions, small talk, and more. - Unlock the storytelling possibilities of ASL with classifiers, easy ways to modify signs that can turn "fishing" into "catching a big fish" and "walking" into "walking with a group." - Find out how to make sentences with signs, use the proper facial expressions with your signs, and other vital tips.
