Audi TT Steering Wheels for sale | eBay

The 3-spoke sports leather steering wheel accentuates the dynamic character of your vehicle and intensifies the driving experience. The flattened ergonomic shape and soft grippy surface ensure excellent handling. Beautifully finished in luxurious Nappa leather with elegant silver stitching.

Multifunction sports leather steering wheel with ... - Audi

Multifunction steering wheels: Audi multifunction steering wheels are designed to give you control over various functions without you having to take your hands off the wheel while driving. You can typically control such things as the radio, phone, cruise control, and other functions. A multifunction steering has to be used on Audi vehicles that have a computer network in it that connects to ...

Audi Car Steering Wheels for sale | eBay

You need the correct wheel to fit the airbag you already have, an airbag wiring harness for mfsw, a steering control module starting with 8P0 and having suffix 'F', a 12mm spline bit to remove the wheel and VCDS to code it. You probably also need VCDS to establish which steering module you have at present.
