Annex 11 Final 0910 - European Commission

[4] Arrived before Thebes, 1 and wishing to give her still a chance to repent of what she had done, he merely demanded the surrender of Phoenix and Prothytes, and proclaimed an amnesty for those who came over to his side. But the Thebans made a counter-demand that he should surrender to them Philotas and Antipater, and made a counter-proclamation that all who wished to help in setting Greece free should range themselves with them; and so Alexander set his Macedonians to the work of war.

Chapter 11 of the United States Bankruptcy Code (Title 11 of the United States Code) permits reorganization under the bankruptcy laws of the United States. Such reorganization, known as "Chapter 11 bankruptcy", is available to every business, whether organized as a corporation, partnership or sole proprietorship, and to individuals, although it is most prominently used by corporate entities.
