Study Tips Choosing

A Topic For Research

File Type PDF

Choosing A

The selection of the research topic is one of the most important consideration of every research. A research topic forms the basis for all the efforts a researcher puts in the research. For some people it is easy to choose a research topic as they find some idea in their surrounding or

aware that selecting a good topic may not be easy. It must be narrow and focused enough to be interesting, yet broad enough to find adequate information.

#1 Research tip: Pick a topic that interests you.

~~Choosing a Topic~~

~~Research Process:~~

File Type PDF

Choosing A

~~An Overview ...~~

Choose a topic that you are interested in!

The research process is more relevant if you care about your topic.

Narrow your topic to something manageable. If your topic is too broad, you will find too much information and not be able to focus.
