This up-to-date quick reference guides the reader through the most popular SAP module. It includes material on SAP ERP Financials, SAP FICO, and SAP R/3. Unlike most books that only provide questions and answers for certification or interview preparation, this book covers fifty common business situations related to ERP Financials/FICO and provides practical solutions for them. In addition, the book begins with over 200 FAQs and certification questions for those who need a quick review of the material. A CD-ROM with FICO templates, short cuts, and color figures from the book is included with the text.

* Detailed instructions on configuring SAP ERP Financials module * Examples to clarify the tricky areas in a configuration * Supported by screenshots to explain configuration of SAP financial module
