How do Egyptian Muslims celebrate Ramadan? How do Copts Egyptian Christians celebrate Easter? What should you expect to find on the table when invited to eat in an Egyptian home? What do you say when an Egyptian colleague sneezes? Exactly what do Egyptians do with a mortar and pestle, a sieve, and a bag of nuts seven days after the birth of a baby? Samia Abdennour, once an outsider from Palestine, now thoroughly at home in Egypt, is here to tell you all about these matters and many more. In a book that aims to introduce the unfamiliar newcomer or interested foreign reader to the hows, whats, and whys of Egyptians life, the author covers such diverse topics as birth, marriage, and death; religious festivals and fasting; food in the home and on the street; business etiquette and terms of politeness. She describes how some traditions differ between the two religious communities, the Muslims and the Copts, and how some customs are shared by all Egyptians like the spring festival of Shamm al-Nisim ('smelling the breezes') that goes back to pharaonic times. With Egyptian Customs and Festivals, you need never be at a loss in a social situation in Egypt or fail to understand what

Now available in an expanded paperback edition, Nile Style is the first cookbook devoted to the multi-ethnic and multi-religious history of the Egyptian table. Twenty-five unique menus celebrate occasions such as the Ancient Nile Festival, Ramadan Breakfast, and Passover. Each menu includes a historical and anecdotal introduction along with the recipes. Includes more than 150 easy-to-follow recipes, plus Egyptian Food History Timelines, glossary of Egyptian ingredients, "Where to Buy" and "Where to Dine in Egypt" guides, and a 16-page color photo insert.

Examines Egyptian history, government, economy, religious rituals, literature, performing arts, fine arts, architecture, social customs, and lifestyles.

Regarded by many as the first major historian, Herodotus was a Greek scholar and traveler who set down his impressions of foreign countries and his analysis of wars and other significant events in a relatively straightforward, journalistic manner. This volume contains Herodotus' views on Egypt. For centuries, some of the the author's claims about Egypt were regarded as far-fetched, but evidence has recently come to light that supports some of his long-doubted account.

A guide to the festivals, traditions, and sacred days of the year.

This revised and updated edition of Culture Smart! Egypt reveals a country in the throes of change. The largely secular revolution that started in Cairo's Tahrir Square in January 2011 became the flagship of the Arab Spring revolts. The uprising resulted in a political effervescence, with new parties, movements, and groups all jostling for space in the new political landscape. But the situation remains fluid. Free elections produced a parliament dominated by Islamists and the country's political and social identity has yet to be defined. Egypt's heady spirit of change is both rooted in and challenged by traditional and deeply conservative values. The timeless Egypt that has inspired conquerors, academics, and artists for millennia is home to 82 million people who call it Omm Eddunia, Mother of the World. It is the people who are Egypt's true wealth. They are friendly, cheerful, proud, and renowned for their sense of humor. In bringing the narrative up to date, this new edition of Culture Smart! Egypt explores the codes and paradoxes of Egyptian life. It outlines the country's history and shows the forces that have shaped its sensibility. It explains values and attitudes, and guides you through local customs and traditions. It opens a window into the private lives of Egyptians, how they behave at home, and how they interact with foreign visitors. It offers practical advice, from how to make friends to avoiding faux pas. It sets out to make your encounter as rich as possible by taking you beyond the clichés to the real people.

Are you ready to uncover the mysteries buried for thousands of years in the tombs of the ancient Egyptians? If so, join us in exploring this book. Thanks to the care with which the Egyptians depicted upon the walls of their sepulchers the minutest doings of their daily life, to
