Meet representatives from a wide range of franchise brands, listen to a packed programme of free presentations and get expert 1-to-1 advice to help you take the next step on your franchise journey.

Franchise Exhibitions

Event planning is a popular choice for startup entrepreneurs for a number of reasons: the work is varied and fun, you can run your business from home, and the demand for event and party planning is reasonably high. However, it's a competitive industry. The job involves a lot of hard work and attention to detail.

MARKETING 4E presents marketing as a set of skills and knowledge combined with economics, finance, and career planning to create strategic plans. Students learn the foundations and functions needed to successfully market goods, services, and ideas to consumers. Professional development, customer service, and social media are presented as keys to students' success. Emphasis on careers includes the incorporation of Career Clusters. While students study business, economics, selling, human relations, communications, logistics, promotion, product planning, and pricing, they also see marketing as a career choice. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This book was written with the would-be franchisor in mind. It delves deeply into such topics as preparing to become a franchisor, the legal repercussions of franchising, how to recruit the right candidates, and how to manage a franchise system. This book will guide you in building a successful team of experts to help you create the stellar franchise brand that you dream of!

Tennessee Corporations, Partnerships and Associations Law Annotated is a single-volume reference of relevant statutes from the Tennessee Code Annotated pertaining to the law of corporations, partnerships, and associations. The book includes comprehensive annotations prepared by LexisNexis' experienced staff of lawyer-editors, to help you interpret the statutes. Also featuring handy cross-references and other research aids, this book lets you find more of what you need for less.

Accurately understand and implement the latest IFRS updates Wiley IFRS 2016 is your one-stop resource for understanding and implementing the current International Financial Reporting Standards as dictated by the International Accounting Standards Board (IASB). Fully updated to cover the latest standards and IFRIC interpretations, this book provides clear and concise explanation alongside practical implementation guidance. The information is organized by topic for ease of navigation, making it ideal for both quick reference and in-depth study, with general statement guidance followed by topic-specific discussion. The Disclosure Checklist helps you ensure full compliance at a glance, and advice for first-time adopters helps smooth the initial implementation process. The goal of the International Accounting Standards Board is to achieve global convergence of accounting standards, which will lead to uniformity in financial reporting around the world. Annual updates to the IFRS are a part of these efforts, so staying up to date is an essential part of compliance. This informative guide is your ideal reference, with the latest 2016 updates and practical advice. Understand the framework that unifies the IFRS Interpret and apply the standards correctly Verify compliance and completeness Get expert guidance on implementing the new and updated standard More and more countries around the globe are either adopting IFRS as their national standards, or adapting existing local standards to more closely align with those set by the IASB. Uniform reporting reduces the cost of financial statement preparation for multinational companies, and facilitates the jobs of investment analysts, investors, and others in assessing business results. Wiley IFRS 2016 gives you the explanation, interpretation, and practical guidance you need to ensure full compliance.

The Retail Market Study 2016 of The Location Group is the one and only study of its kind. With 155 of the most notable international cities of the fashion and retail world on more than 1,000 pages. Over 1,300 retailers, 1,030 shopping streets and 550 shopping malls were analyzed. So far the study reached more than 300,000 readers worldwide.

(Black & White version) Fundamentals of Business was created for Virginia Tech's MGT 1104 Foundations of Business through a collaboration between the Pamplin College of Business and Virginia Tech Libraries. This book is freely available at: <http://hdl.handle.net/10919/70961> It is licensed with a Creative Commons-NonCommercial ShareAlike 3.0 license.

For the first time, this book examines the strategies of leaders of emerging nations to use sport as a tool for reaching social, economic, cultural, political, technological or environmental goals and gaining international prestige. It assesses whether sport can really be an effective tool in international development. The book explores the unique challenges, issues and opportunities offered by sport for development in emerging nations. Bringing together case studies of sport and development in countries including Brazil, China, Czech Republic, Hungary, India, Indonesia, Mexico, Poland, Qatar, South Africa, South Korea and Turkey, the book looks at policies designed to achieve development through, by and for sport, and whether they have achieved their socio-economic objectives. It considers the way that emerging nations have used major international sports events as political and developmental projects, as well as the importance of sporting infrastructure, professional leagues, participation programmes and the influence of nationalism and ideology. With a truly global perspective, this book is important reading for any student, researcher or policy-maker with interest in sport management, sport development, development studies, international economics, globalisation or political science.

In this enriched new edition of a proven, indispensable practical guide to the drafting and negotiating of agency, distribution, and franchising agreements, the contributors have all updated their country reports with recent cases and commentary and an abundance of new sample clauses and other practical features. In addition, four major jurisdictions – Brazil, England, Japan, and the United States – have been added, bringing the total number of country reports to nineteen. The first edition is well known among commercial law practitioners as the preeminent hands-on guide to drafting effective distribution

agreements tailored specifically to countries in which foreign direct investment is a major component of the economy. Local experts provide detailed information on specific applicable law, major current case law, drafting guidance with specific clauses, and official English versions of relevant primary material. Case law summaries clearly expose the issues from which disputes arise, – and the financial consequences of those disputes – and the practical discussion includes sample clauses designed to anticipate those issues and avoid the pitfalls to which they often lead. The enormous day-to-day usefulness of this book will be self-evident to corporate counsel and other lawyers negotiating international commercial distribution agreements. Legal scholars as well will welcome the book's comparative study of applicable law on commercial contracts in a wide variety of national jurisdictions.

Packed with reader-friendly illustrations, ESSENTIALS OF BUSINESS LAW AND THE LEGAL ENVIRONMENT, 12e uses a nontechnical presentation to help your students understand the dynamics of today's legal environment for business. Covering a broad variety of key subjects and emphasizing ethical decision making, the text presents all business law topics required for success on the CPA exam. Cases are carefully summarized and integrated in order to present both recent legal issues and landmark court decisions while minimizing legal jargon. Students learn to effectively apply legal reasoning to cases and legal issues using the Issue, Rule, Application and Conclusion (IRAC) method. In addition to new Going Global features that highlight the international aspects of legal issues, the 12th Edition also includes more than 30 recent cases, updated coverage of limited liability companies and suretyship, amendments to UCC Articles, SEC rules on social media, recent U.S. Supreme Court decisions, and much more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
