resource to help you prepare for the LEED Green Associate Examination. It summarizes the critical points of green design, construction, and operations. To help you master its content, the guide has been packaged with

Download Free Green Building And Leed Core

the Green Building and LEED Core Concepts Guide, one of the reference documents for the LEED Green Associate Exam. Within each category of the guide, you will find a variety of study tools, including category reviews,

Download Free Green Building And Leed Core

review questions and worksheets, learning activities, and practice questions"--P. 1.

Pass the LEED AP BD&C Exam,
Get Your Building LEED
Certified, Fight Global

Download Free Green Building And Leed Core

Warming and Save Money! The USGBC released LEED v4 in GreenBuild International Conference and Expo in November, 2013. The GBCI started to include the new LEED v4 content for all LEED exams in late Spring 2014.

Download Free Green Building And Leed Core

We have incorporated the new LEED v4 content in this book. Starting on December 1, 2011, GBCI began to draw LEED AP BD+C Exam questions from Green Building and LEED Core Concepts Guide. We have also incorporated the latest

Download Free Green Building And Leed Core

information from this book. LEED (Leadership in Energy and Environmental Design) is one of the most important trends in development and is revolutionizing the construction industry. It has gained tremendous

Download Free Green Building And Leed Core

momentum and has a profound impact on our environment. From this book, you will learn how to: 1. Pass the LEED AP BD+C Exam. 2. Register and achieve LEED certification for a building. 3. Understand the

Download Free Green Building And Leed Core

intent of each LEED prerequisite and credit. 4. Calculate points for LEED credits. 5. Indentify the credit path, submittal requirements, synergies, possible strategies and technologies, project phase,

Download Free Green Building And Leed Core

LEED submittal phase, and responsible party for each prerequisite and credit. 6. Earn extra credit (exemplary performance) for LEED. 7. Implement the related codes and standards. 8. Obtain points for categories not

Download Free Green Building And Leed Core

yet clearly defined by the USGBC. Most of the existing books on LEED and the LEED exams are too expensive and complicated to be practical or helpful. This guide fills in the blanks and demystifies LEED. It

Download Free Green Building And Leed Core Concepts Guide Free

uncovers the secrets, codes, and jargon for LEED as well as the true meaning of "going green." It provides a solid foundation and fundamental framework for LEED. It covers every major aspect of LEED in plain and

Download Free Green Building And Leed Core

Concepts Guide, and introduces it to ordinary people. This guide is easy to carry around. You can read it whenever you have a few extra minutes. It is an indispensable book for ordinary people, developers,

Download Free Green Building And Leed Core

brokers, contractors, administrators, architects, landscape architects, engineers, interns, drafters, designers, and other design professionals. What others are saying about LEED BD&C Exam Guide ...

Download Free Green Building And Leed Core

"Passed on first try, only used this guide "This is the best study guide HANDS DOWN. If you're serious about passing the LEED AP BD&C exam on your first try, this is the one you've been looking for! I bought Mr.

Download Free Green Building And Leed Core

Chen's LEED Green Associate Exam Guide 2 months ago and passed it on the first try as well. I purchased the USGBC reference guide and Mr. Chen's LEED BD&C Exam Guide. I never opened the USGBC reference guide, only

Download Free Green Building And Leed Core

studied from Mr. Chen's study guide. I followed Mr. Chen's instructions and studied the guide for 2 weeks (yes, I have a full-time job). I did ignore the mnemonics, not my learning style (makes it more

Download Free Green Building And Leed Core

Confusing to me). The exam was not easy, but I prepared and stuck to this material. I am not a good test taker by no means. I reviewed the technical data of the guide about 6 times and ignored everything else I had read

Download Free Green Building And Leed Core

or heard about the exam.

Here's a piece of advice that I picked up from this book, spend less time on practice tests and more time studying! I have a subscription to a web exam simulator (rated the best)

Download Free Green Building And Leed Core

and only did about 100 questions, until I realized that I was wasting my valuable time. Find a good book and stick to it. This is also a great reference guide to use on everyday projects. Review the

Download Free Green Building And Leed Core

material, try to understand it, then try to memorize it through repetition. I would like to shake your hand and say THANKS AGAIN MR. GANG CHEN !!! " -LOBO "Excellent Guide and Good Manual "I passed the LEED AP BD+C and

Download Free Green Building And Leed Core

the LEED AP ID+C exams this year and Gang Chen's books were my primary study material! The books are easy to read and use. Gang Chen provides study hints and guidance as well as an outline format that makes it

Download Free Green Building And Leed Core

easy for the reader to grasp key points. He also provides an excellent review of the entire accreditation process which can save people time in personal research. The books are more than study guides; they are helpful as

Download Free Green Building And Leed Core

reference manuals because of the easy to follow format.

Definitely a keeper in my bookshelf for future project reference." –Karen M. Scott

"Great resource for studying for the LEED Exam! "I have taken and passed the LEED AP

Download Free Green Building And Leed Core

BD+C exam and know what it takes. As this author says, it's not an easy exam and he is right. What is critical to passing is having great teaching tools and this book is one of them. He touches on every aspect of how to

Download Free Green Building And Leed Core

memorize data, how questions are formed, what to expect on tricky questions, the content the test writers are looking for and every little detail you need to know when preparing for this exam. I highly recommend this

Download Free Green Building And Leed Core

author's books if you are serious about passing any of the LEED exams, hopefully on the first try!" –S. Jennifer Sakiewicz "LEED BD & C Exam Study Guide "Gang Chan's study guide is an excellent resource in preparing to

Download Free Green Building And Leed Core

take the LEED AP BD+C exam particularly if one follows the study recommendation made in the guide. It does not replace the LEED Reference manual as the definitive source for technical information but

Download Free Green Building And Leed Core

more importantly provides a structure for the study of the information that is easily understood and when followed should provide good assurance of success in passing the exam the 1st time. This is a 'keeper'!"

Download Free Green Building And Leed Core

–Spock “Good summary of information to memorize for the test “Chen's exam guide is a good summary of the test relevant information in the LEED reference guide. He underlines specific information that is

Download Free Green Building And Leed Core

important to commit to memory for the test. It is a good way to understand which information needs to be strictly memorized if you are preparing for the test in a short amount of time and have a good

Download Free Green Building And Leed Core

Understanding of the LEED process through your professional experience. I passed the test with a very high score on my first try, and I did use this guide, one other, the LEED reference manual, online

Download Free Green Building And Leed Core

Concepts, a class, and many years of personally working on and completing online LEED submittals through my work. The week before taking the test I used it to commit point values and those kind of details to memory... "

Download Free Green Building And Leed Core

–Denver “Not a bulky ref guide “LEED BD&C Exam Guide does a great job in highlighting and summarizing the key points and concepts in USGBC ref guide. If you only have limited amount of time for LEED AP BD+C exam

Download Free Green Building And Leed Core

preparation, definitely go
for this book." –Metcalf

"Very valuable guide! "I am
a lighting designer and am
preparing to take the LEED
BD+C exam...I got LEED BD&C
Exam Guide to prepare for
the LEED AP BD+C Exam and it

Download Free Green Building And Leed Core

was fairly well organized to help me refresh my memory on the background LEED knowledge I had. All the specifics that one needs to know about each credit such as the Purpose of the credit, Credit path,

Download Free Green Building And Leed Core

Concepts, Strategies and technologies etc, are clearly organized for every credit. In addition the author also employs the smart technique of Mnemonics which helps in memorizing the vast amount of

Download Free Green Building And Leed Core

information in a simplified manner." –Visswapriya Prabakar "Immensely valuable and utterly to the point, a true must have! "This is an excellent publication by Gang Chen that outlines precisely all the key points

Download Free Green Building And Leed Core Concepts Guide Free

one need for success. I personally appreciate the easy to adopt memorization technique offered by the author. Practice exams are very comprehensive yet summarized and not to mention highly effective

Download Free Green Building And Leed Core

learning tool as it is designed in this book. It is a very delightful experience for me to have this outstanding publication. In a word, this definitely worth the money and for me it turns out extraordinarily

Download Free Green Building And Leed Core

helpful.” –Shanaz, who passed LEED AP BD+C Exam on the first try “Very Helpful! “I found LEED BD&C Exam Guide to be very detailed and very helpful. I plan to take the exam soon, and I feel fully prepared for it.”

Download Free Green Building And Leed Core

— Yousuf Asadzoi "Good book!

"I had appeared for GA and passed. I loved the content and the underlined highlights. I read your book; it gave me insight and knowledge on how credits are applied. Some questions in

Download Free Green Building And Leed Core

your book helped me answer
ones on the test. Good book,
I'll go through it once
again when I appear for AP."
—Haresh Vibhakar, AIIA
(India), AIA, LEED Green
Associate, Architect "A good
outline "The book is an

Download Free Green Building And Leed Core

excellent outline to learn the necessary items required to study for the exam. It is not a comprehensive study guide in and of itself. Practice exam is good indicator of test preparation." -Paul Levine

Download Free Green Building And Leed Core

“Solid LEED Study Guide

“This is the kind of book I wish was available when I did my original LEED AP exam. It teaches you how to study, which is so important when school is a distant memory. The bulk of the book

Download Free Green Building And Leed Core

helps you review and memorize with mnemonics the concepts for each credit that you need to know for the exam. The questions are good representations of questions on the exam. I would recommend to anyone

Download Free Green Building And Leed Core

concepts for their exam, that they: - First read the chapters in this book on how to study; - Second read the actual LEED BD+C guide to give you the background information on the credits and gain comprehension.

Download Free Green Building And Leed Core

Underline and review as the author indicates to get the most out of your study time.

- Finally read the rest of this exam guide to help you review and memorize for the exam." -missfitz "missfitz"

"Very Helpful Guide "Gang

Download Free Green Building And Leed Core

Chen's LEED BD&C Exam Guides
very helpful in
consolidating information
from USGBC and GBCI sources
as well as providing the
information that is
necessary for the exam
without excess irrelevant

Download Free Green Building And Leed Core

information. I highly
recommend this book for
preparation for the LEED
BD+C exams." -leedap

The World's Greenest

Page 105/142
