This is the most reliable and popular history of Korea available in English. The tumultuous developments of the modern era receive the greatest coverage, but the book's balanced treatment of traditional Korea emphasizes cultural events as integrally related to the political, social, and economic evolution of this

ancient nation.

"Passionate, cantankerous, and fascinating. Rather like Korea itself."--Nicholas D. Kristof, New York Times Book Review Korea has endured a "fractured, shattered twentieth century," and this updated edition brings Bruce Cumings's leading history of the modern era into the present. The small country, overshadowed in the imperial era, crammed against great powers during the Cold War, and divided and decimated by the Korean War, has recently seen the first real hints of reunification. But positive

Get Free Korea Old And New A History

movements forward are tempered by frustrating steps backward. In the late 1990s South Korea survived its most severe economic crisis since the Korean War, forcing a successful restructuring of its political economy. Suffering through floods, droughts, and a famine that cost the lives of millions of people, North Korea has been labeled part of an "axis of evil" by the George W. Bush administration and has renewed its nuclear threats. On both sides Korea seems poised to continue its fractured existence on into the new century, with potential ramifications for the rest of the world.

The first English-language history of Korea to appear

Get Free Korea Old And New A History

in more than a decade, this translation offers Western readers a distillation of the latest and best scholarship on Korean history and culture from the earliest times to the student revolution of 1960. The most widely read and respected general history, *A New History of Korea* (Han'guksa sillon) was first published in 1961 and has undergone two major revisions and updatings. Translated twice into Japanese and currently being translated into Chinese as well, Ki-baik Lee's work presents a new periodization of his country's history, based on a fresh analysis of the changing composition of the leadership elite. The book is noteworthy, too, for its full and integrated discussion of major currents in Korea's cultural

history. The translation, three years in preparation, has been done by specialists in the field.

Just a few decades ago, the Koreans were an impoverished, agricultural people. In one generation they moved from the fields to Silicon Valley. The nature and values of the Korean people provide the background for a more detailed examination of the complex history of the country, in particular its division and its emergence as an economic superpower. Who are these people? And where does their future lie? In this absorbing and enlightening account, Michael Breen provides compelling insight into the history and character of this fascinating

nation.

Korea's traditional love poetry is little known in the West. This anthology contains examples of all genres: vernacular to long lyrical poems. A witty informative commentary links the poems and sets them in context.

A New York Times Top Ten Book of the Year and National Book Award finalist, Pachinko is an "extraordinary epic" of four generations of a poor Korean immigrant family as they fight to control their destiny in 20th-century Japan (San Francisco Chronicle). NEW YORK TIMES NOTABLE BOOK OF 2017

And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He

Get Free Korea Old And New A History

promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, Pachinko is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral

crisis--survive and thrive against the indifferent arc of history. *Includes reading group guide*

How did a really unhip country suddenly become cool? How could a nation that once banned miniskirts, long hair on men and rock 'n' roll come to mass produce pop music and a K-pop star that would break the world record for the most YouTube hits? Who would have predicted that a South Korean company that used to sell fish and fruit (Samsung) would one day give Apple a run for its money? And just how does South Korea plan to use pop culture to beat America at its own game. Welcome to South Korea: The Brand. In The Birth of Korean Cooljournalist Euny Hong

Get Free Korea Old And New A History

uncovers the roots of the 'Korean Wave': a fanaticism for South Korean pop culture that has enabled them to make the rest of the world a captive market for their products by first becoming the world's number one pop culture manufacturer. South Korea's economic development has been nothing short of staggering - leapfrogging from third-world to first-world in just a few years and continuing to grow at a rapid and unprecedented rate - and for the first time The Birth of Korean Cool will give readers exclusive insight into the inner workings of this extraordinary country; its past, present and future.

sensation, Kim Jiyoung, Born 1982 “has become...a touchstone for a conversation around feminism and gender” (Sarah Shin, Guardian). One of the most notable novels of the year, hailed by both critics and K-pop stars alike, Kim Jiyoung, Born 1982 follows one woman’s psychic deterioration in the face of rampant misogyny. In a tidy apartment on the outskirts of Seoul, millennial “everywoman” Kim Jiyoung spends her days caring for her infant daughter. But strange symptoms appear: Jiyoung begins to impersonate the voices of other women, dead and alive. As she plunges deeper into this psychosis, her concerned husband sends her to a psychiatrist. Jiyoung narrates her story to this doctor—from her birth to parents who

Get Free Korea Old And New A History

expected a son to elementary school teachers who policed girls' outfits to male coworkers who installed hidden cameras in women's restrooms. But can her psychiatrist cure her, or even discover what truly ails her? "A social treatise as well as a work of art" (Alexandra Alter, New York Times), Kim Jiyong, Born 1982 heralds the arrival of international powerhouse Cho Nam-Joo.

Korea's most widely loved romantic tales : Chunhyang and Sim Cheong There are not many old Korean love tales, but everyone knows the story of Chunhyang. In 1892, the first Korean to visit Paris, Hong Jong-u, helped publish a French version of the story of

Get Free Korea Old And New A History

Chunhyang. Titled “Fragrant Springtime” (the meaning of “Chunhyang”), it is the first Korean story ever published in a western language. A couple of years later, a second, more developed novel set in Korea was published, “ A Dead Tree Blossoms.” It includes parts of the story of Sim Cheong and her blind father, but is very different in many unexpected ways. In 1919 an English translation of it was published in the US, but nobody noticed it. In this new book, the French version of “Chunhyang” has been translated into English and is published with the 1919 English text of “A Dead Tree Blossoms” and a couple of other Korean love tales translated a hundred or more years ago. Interestingly, the two main stories

Get Free Korea Old And New A History

both express sharp criticism of corrupt officials and a strong concern for social justice.
