We've all heard the story of the Four Horsemen. Harbingers of the apocalypse. Destruction given form. Four of the sexiest-wait no-forget that. You get my point. So imagine my surprise when I find out everything I've ever been told, is a lie. But we're getting ahead of ourselves here. Let's start from the beginning. My name is Ruby Morningstar. I run a tattoo parlor in Portland with my bestfriend, have a pet raccoon, a crazy ex that stalks me, not to mention this one little thing... I'm a demon. Half-succubus, to be exact. For the last twenty-three years of my life, that's the story I believed, but on the day a handsome

and my mama never let me forget it." Though born into bondage on a "miserable tobacco farm" in Little Dixie, Missouri, Cathy Williams was never allowed to consider herself a slave. According to her mother, she was a captive, destined by her noble warrior blood to escape the enemy. Her chance at freedom presents itself with the arrival of Union general Phillip Henry "Smash 'em Up" Sheridan, the outcast of West Point who takes the rawboned, prideful young woman into service. At war's end, having tasted freedom, Cathy refuses to return to servitude and makes the monumental decision to disguise herself as a man and join the Army's legendary Buffalo Soldiers. Alone now in the ultimate man's world, Cathy must fight not only

Inspired by the stunning, true story of Private Williams, this American heroine comes to vivid life in a sweeping and magnificent tale about one woman's fight for freedom, respect and independence.

Why be good when being bad is just so much more fun? Before you read my story, you need to prepare yourself. I'm not some damsel in distress in search of her Prince Charming. I'm not a girl looking to settle down, and most of all, I'm not someone who can be controlled. No, I do the controlling around here. My name is Angel and I'm the devil's daughter. I know, right? He must have had a lot of fun with that name choice. But you know what? I kinda like it now. Anytime people see the distinctive markings on my skin or hear my name dropped, they run for the damn hills. Why? Because I'm a weapon. I kill whomever I want, whenever I please and there is nothing anyone can do about it. Not even dear old Dad. When

opportunity knocks and I'm given the perfect chance to catch a ride out of Hell, I don't think twice. Only the Nephilim who let me tag along with them have no clue who I really am. But when they realize just who they've brought to Earth, that's when the real fun begins. **WARNING:** This is a dark reverse harem novel and contains things that may trigger you if you are sensitive to certain subjects. I strongly advise that you read the note at the beginning of the book before you decide whether to continue with the story. I kept mention of specific triggers from the blurb in an effort to avoid spoiling it for readers, but have detailed them inside the book for your reference. The warning page can be read as part of the sample, so there's no

There's a killer loose in Hell. Caedus and Balthazar are both members of the Dark Guard, a group of demons tasked with protecting their kind from the sorcerers that would bind them and use their powers in the human realm. But membership in the Dark Guard isn't the only thing Caedus and Balthazar share: they also share the love of the same female. Iliana is everything a male could want, but everything changes when she takes her own life. Devastated, Caedus turns cold, denying anything resembling the softer side of emotion, while Balthazar struggles to hold the two of

them together. Vivian Nox is the half-demon daughter of the fallen angel Lucifer, and she has an affinity for souls. As the owner of a pleasure house, Nox uses her power to give her clients what they want most, but when Caedus and Balthazar stride through her door, she recognizes them as her soul's desire. Still haunted by Iliana's death, Caedus isn't ready to repeat history, but when one of Nox's pleasure slaves goes missing, he finds himself unable to turn away her request for help. Their search reveals a killer loose in Hell, but that isn't what worries Caedus. As he and Balthazar spend more time with Nox, Caedus begins to suspect that she won't be happy with anything less than his soul.

Michael should have remembered ... no one wins against the Devil.

For a decade, I've hated the supernaturals who owned my world. I hunted them. I killed them. And now, in the most grand twist of fate- I am bonded to one of them. Oh, the irony. Being a supernatural bounty hunter isn't exactly a popular job. But after the magic wars, there aren't many things a human can do that will put food on the table. Thankfully anything my right hook can't handle, my guns can. Or so I thought. When a demon summoning runs awry, the being that comes into this world changes everything. I'm not sure if he's truly a demon or a god, but one thing I do know is that he's after me. I'd like to see him try. I've got a promise to fulfill, and I'm not backing down. The only way out of this is his death or mine, and I'll do
