History & Geography
Grade 5. Posted on Nov

For Grade 5 History
and Geography, we
used the Platinum Social
Sciences book as a
guide, and I
created / collected
lapbook and

Online Library Platinum Social Science Grade 5

notebooking pages to use with it. I kept these all prepared in a display file with page protectors throughout the year so that we could easily access them, but the problem with it as Buck completed them was that one cannot access the minitbooks without removing the pages from the page protector.
