SIOP – Lesson plans and activities

When it comes to teaching abroad (or teaching in general), one of the most challenging parts of the job is creating and updating ESL lesson plans. Depending on your role, you may need to use dozens of lessons spread across multiple classes during the term – and sometimes there is just not enough gas left in the tank to come up with something new every time.

The Great Importance of Lesson Planning. A lesson plan is an integral component that helps teacher be organized and stay focus while educating the class, hence allowing and helping every student to reach their potential a lot easier with less guidance. As a teacher, you are expected to be prepared and organized at all times, so keeping a lesson plan handy is a lot of help.
