This book is a must-have for anyone interested in language translation. It is a valuable tool for those looking to embark on a translation career and those already in the field. Faculty members teaching translation courses, current and graduate students and translation business owners will undoubtedly find this book to be an indispensable resource. It serves as a guide and reference material for the language professionals seeking to hone their skills, sell their services, generate more revenues, equip themselves with the tools necessary to ultimately excel in the field. It contains a wealth of information and reference on how to develop a translation career. If you are interested in entering the field and do not know how to start, you will most certainly find your answer in this book. The book also covers everything from preparing your resume, preparing your business cards, working as a freelance translator, as an in-house translator, for an International Organization or for the Federal Government, to running your own translation business. It also arms you with information on how to market your services, how to beware of Internet Scams targeted at professional translators and interpreters, how to address payment issues, among other things. This book even covers the legal aspect involved in language translation. Towards the end section of the book, the reader will be able to refer to a concise glossary as well as to a list of International Organizations hiring language professionals, a list of Translation and Interpretation Schools in the United States and Abroad, and also to a list of Professional Translation and Interpretation Organizations in the United States and Abroad. This compilation of years of experience and research by the author will provide the reader with the materials, tools and resources that will contribute to a successful career in language translation.

This engaging book lays the foundation for readers to succeed on the CPA exam and ultimately in their professional practice. The new edition continues to reflect the conversational style and clarity that has made this a leader in the market. It explores the key concepts and principles while using the PepsiCo financial statement to clearly show how the information is applied in the real world. The book has also been updated with the latest data as to reflect today's business environment.

InfoWorld is targeted to Senior IT professionals. Content is segmented into Channels and Topic Centers. InfoWorld also celebrates people, companies, and projects.

Designed for financial accounting programs that prefer to start with a sole proprietorship approach, this market-leading text provides business students with a strong foundation in accounting procedures and emphasizes the use of financial information in decision making and analysis. The text--intended for use in a single semester or quarter--contains balanced, flexible content supported by an array of integrated print and technology supplements. The 2005e Edition maintains a high standard for accuracy, integrates performance measurement, and emphasizes technology. Real-world examples appear throughout the text to help students link accounting procedures to publicly held companies as well as international, governmental, and not-for-profit organizations.
