Sports Investing: Profiting from Point Spreads: Finding ...

Investing \$10,000 into the stock market for a year and earning a 10% return is considered a great investment – but your return winning a modest 54% of your sports bets would trounce that return. My picks have yielded a much higher risk adjusted return than the stock market. Obviously, the variance from season to season is formidable, but as ...

Sports betting from an investment point of view, involves using a specific set of techniques and strategies to work the system in order to gain an advantage over bookmakers, so that you can receive a guaranteed return on your investment.

Investing in sports vs. sports betting / sports gambling ...

Sports Investing Step 1 – Growth. It `s important that you keep all your winnings in your sports investing pot. Even when you start making good money, don `t take anything out during the first year. All profits will be invested in making more investments. This is what gets the bankroll growing and enables you to increase unit sizes.
