The Betrayal (Fear Street Saga Trilogy, No. 1): R.L.---

The Fear Street Saga really leveled up the Fear Street franchise as a whole. It gave the town of Shadyside a depth that it didnt have before, and used the historical setting of colonial America to its advantage. I remember The Betrayal better than most of the books I read as a kid, and I think that is because of how shockingly violent it is at turns.

Nora knows the secrets behind the horrifying things happening on Fear Street and reveals the dark legacy that marked the start of the terror three hundred years earlier, when a young girl was burned at the stake.

From the beloved and bestselling author of the Goosebumps series comes the haunting and terrifying Fear Street Saga—now available in one chilling paperback edition. Fear Street is cursed. It's been that way for hundreds of years. Unspeakable horrors haunt those who've walked on its terrifying path. And it all started with one family—the Fears. Go back to how it all began and discover the dark family secrets buried underneath years of terror, from who sentenced an innocent woman to burn at the stake, to why the Fear mansion caught on fire, and how forbidden love, a bloody feud, and dark magic unleashed the curse that has lasted for far too long. And how Fear Street became the evil place it is today.

The Baron de Téroze has successfully married off his eldest daughter to a Colonel of the Dragoons, and now it is time for him to arrange his younger daughter's nuptials. The leading magistrate of the parliament at Aix seems to him the ideal candidate. Unfortunately, the young Mademoiselle de Téroze is in love with another man. A series of hilarious manipulations designed to rid the beautiful marchioness of her odious old husband ultimately result in an astonishing yet fitting denouement. French author Marquis de Sade (1740–1814) is best known for his licentious novels and pornographic writings, many of which were penned during his frequent stays in prison and, ultimately, a mental asylum. Recently he has been reinterpreted as a moralist whose unflinching investigations into the nature of sexual pathology anticipated Nietzsche and Freud.

Daniel and Nora, two young lovers from feuding families, must use their forbidden love to stop the awesome evil that stalks Nora and her family.

In the second novel of a terrifying trilogy, R.L. Stine takes you back in time, finally telling the awful truth of what happened to the cursed Fear family...and why their evil lives on. Simon Fier meets an old gypsy who tells him his family will all die in a terrible fire. Terrified, he changes the family name to Fear, but he can't escape the curse.

Summoning the dark powers of their family to bring back their dead daughters, Angelica and Simon Fear unflinchingly begin an act of black magic that calls for the sacrifice of two innocent girls.

The Fear name brings fortune...and doom. The dark power of the Fear family consumes all those connected with it. The Fears. Those they love -- and hate. The entire town of Shadyside. All are tainted forever by the evil of the family's curse. No one can escape. Nora Goode and Daniel Fear hoped to end the curse of the Fear family. But on their wedding day, a horrible fire swept through the Fear mansion, taking the life of every member of the doomed family. Except one. A new Fear. The child of Nora and Daniel. Will he be able to live his life untouched by the evil of his family? Or will the dark forces claim yet another Fear for their own?

A medicine woman tells Jamie Fier the love potion she gave him will cost him. Now Jamie finds himself transforming into a wolf—and if his true love sees him in this form, he will remain a wolf forever.

The dark power of the Fear family consumes all those connected with it. No one can escape the evil of the family's curse—not even the Fears themselves. Savannah Gentry doesn't believe that. She marries Tyler Fear. But then she goes with him to Blackrose Manor. That's when the deaths begin. That's when she learns his terrible secret...

Fear Street -- Where Your Worst Nightmares Live... It's Cindy's birthday, and her friends are throwing her a surprise party on Fire Island. It's a private party -- no parents, no cops...in fact, no one around for miles. Except there's a madman loose on the island. A murderer who quietly crashes the party. And he wants to dance with the birthday girl...
