Baker & Taylor Explores the nineteenth-century world of a generation of royal women, the five daughters of Queen Victoria--Victoria, Alice, Helena, Louise, and Beatrice--and sheds light on their complex, frequently tragic, restricted lives. 10,000 first printing.

Explores the nineteenth-century world of a generation of royal women, the five daughters of Queen Victoria--Victoria, Alice, Helena, Louise, and Beatrice--and sheds light on their complex, frequently tragic, restricted lives. 10,000 first printing.

Queen Victoria and Albert, the Prince Consort, had nine children who, despite their very different characters, remained a close-knit family. Inevitably, as they married into European royal families their loyalties were divided and their lives dominated by political controversy. This is not only the story of their lives in terms of world impact, but also of personal achievements in their own right, individual contributions to public life in Britain and overseas, and as the children of Queen Victoria and the Prince Consort.

The secrets of Queen Victoria's sixth child, Princess Louise, may be destined to remain hidden forever. What was so dangerous about this artistic, tempestuous royal that her life has been documented more by rumor and gossip than hard facts? When Lucinda Hawksley started to investigate, often thwarted by inexplicable secrecy, she discovered a fascinating woman, modern before her time, whose story has been shielded for years from public view. Louise was a sculptor and painter, friend to the Pre-Raphaelites and a keen member of the Aesthetic movement. The most feisty of the Victorian princesses, she kicked against her mother's controlling nature and remained fiercely loyal to her brothers--especially the sickly Leopold and the much-maligned Bertie. She sought out other unconventional women, including Josephine Butler and George Eliot, and campaigned for education and health reform and for the rights of women. She battled with her indomitable mother for permission to practice the "masculine" art of sculpture and go to art college--and in doing so became the first British princess to attend a public school. The rumors of Louise's colorful love life persist even today, with hints of love affairs dating as far back as her teenage years, and notable scandals included entanglements with her sculpting tutor Joseph Edgar Boehm and possibly even her sister Princess Beatrice's handsome husband, Liko. True to rebellious form, she refused all royal suitors and became the first member of the royal family, since the sixteenth century, to marry a commoner. She moved with him to Canada when he was appointed Governor-General. Spirited and lively, Queen Victoria's Mysterious Daughter is richly packed with arguments, intrigues, scandals, and secrets, and is a vivid portrait of a princess desperate to escape her inheritance.

Biografie van de Engelse prinses (1848-1939).

"In this sweeping, immersive novel, Clare McHugh draws readers into the mesmerizing world of the eldest daughter of Queen Victoria -- Princess Vicky -- as she emerges into a powerful force in her own right and ascends to become the first German Empress. " —Marie Benedict, New York Times bestselling author of *The Only Woman in the Room* Perfect for fans of the BBC's *Victoria*, Alison Pataki's *The Accidental Empress*, and Daisy Goodwin's *Victoria*, this debut novel tells the gripping and tragic story of Queen Victoria ' s eldest daughter, Victoria, Princess Royal. To the world, she was Princess Victoria, daughter of a queen, wife of an emperor, and mother of Kaiser Wilhelm. Her family just called her Vicky. ...smart, pretty, and self-assured, she changed the course of the world. January 1858:

Online Library Victorias Daughters

Princess Victoria glides down the aisle of St James Chapel to the waiting arms of her beloved, Fritz, Prince Frederick, heir to the powerful kingdom of Prussia. Although theirs is no mere political match, Vicky is determined that she and Fritz will lead by example, just as her parents Victoria and Albert had done, and also bring about a liberal and united Germany. Brought up to believe in the rightness of her cause, Vicky nonetheless struggles to thrive in the constrained Prussian court, where each day she seems to take a wrong step. And her status as the eldest daughter of Queen Victoria does little to smooth over the conflicts she faces. But handsome, gallant Fritz is always by her side, as they navigate court intrigue, and challenge the cunning Chancellor Otto von Bismarck, while fighting for the throne—and the soul of a nation. At home they endure tragedy, including their son, Wilhelm, rejecting all they stand for. Clare McHugh tells the enthralling and riveting story of Victoria, the Princess Royal—from her younger years as the apple of her father Albert's eyes through her rise to power atop the mighty German empire to her final months of life.

Intrigue, scandal, and secrets abound in this lush royal biography penned by the great-great-great granddaughter of Charles Dickens.

Four authors will each take a different daughter born from the Prince of Darkness, Vlad Montour. (Also known as Vlad the Impaler, an evil villain from history)

Blair — Chrissy Peebles Jezebel — Kristen Middleton Victoria — W.J. May Lotus — C.J. Pinard Blair: Half witch and half vampire. She lives with a coven of witches and hasn't had any contact with her vampire heritage. Blair is living the perfect life until one day, everything crashes down around her. She is forced to leave everything she knows and loves, and must go on the run to save her life. Jezebel: A red-haired vampire/succubus with dark appetites. She's also a Private Investigator, living in Sin City, and tracking down cheating spouses is her specialty. Life is good, until one night when Jez is visited by a stranger, named Dorian Hart, who hands her a letter with some shocking revelations. Victoria: Only Death Could Stop Her Now Victoria is a Hunter Vampire, one of the last of her kind. She's the best of the best. When she finds out one of her marks is actually her sister she let's her go, only to end up on the wrong side of the council. Forced to prove herself she hunts her next mark, a werewolf. Injured and hungry, she is forced to do what she must to survive. Her actions upset the ancient council and she finds herself now being the one thing she has always despised -- the Hunted. Lotus: Don't let the pretty name fool you. This daughter is no delicate flower. Lotus grew up orphaned. Having no idea who her real parents were, she's been drifting around the U.S. for over 100 years moving every 15 years or so since she just doesn't seem to age. She'd figured out on her own that she had to be at least part vampire, as she needs to suck on a few blood bags a month to survive. Working as a detective with the Denver P.D., Lotus is searching desperately for a serial killer who is murdering the homeless of the city. Except these are not ritualistic or thrill killings. These victims have been drained of blood and Lotus knows, beyond a shadow of a doubt, that they have been committed by a vampire. Her search will take her to Las Vegas, and that is where the true adventure will begin, when she finds out who has been searching for her.

The inside story of the legendary actor's 65-year career — from radio to classic movies and horror films to Broadway — and his family life. "Entertaining and touching." — The New York Times.

This work tells the love story of the royal couple against the changing background of 19th-century Germany. It looks at the differing political sympathies of the couple, revealed through letters, and re-examines the prevailing view that the domineering Vicky never bothered to conceal her distaste for everything Prussian and flaunting her sense of British superiority. In many ways ahead of her time, she was something of a pioneer feminist, refusing to accept the oft-accepted maxim that women were second-class citizens. Insufficient consideration has been given to her health and the possibility that her judgement and reason may sometimes have been affected, albeit mildly, by the family's inheritance of porphyria that led to the 'madness' of her great-grandfather George III.

Online Library Victorias Daughters

On June 6, 2015, David and Jackie Siegel received the call that no parent should ever get. Their beautiful, vibrant, 18-year-old daughter Victoria had died of a drug overdose. The Siegels vowed to do whatever it takes to prevent this from happening to other parents. Right after Victoria passed away, Jackie received a text from one of Victoria's friends directing her to look in her bedroom nightstand for a secret diary she had kept - and suggesting they publish it. The Siegels decided to honor Victoria's wish. Victoria's Voice is a gripping peek inside the mind of sometimes happy, healthy teen and other times a teen dramatically influenced by drugs and alcohol. This is Victoria's Voice - from beyond the grave. It could save your child's life.
